IN THE UNITED STATES DISTRICT COURT
EASTERN DISTRICT OF CALIFORNIA

11 UNITED STATES OF AMERICA,
12 Plaintiff,
13 v.
14 MARCUS NEWTON,
15 Defendants.

CASE NO. 1:22-CR-00120-ADA-BAM
STIPULATION REGARDING EXCLUDABLE
TIME PERIODS UNDER SPEEDY TRIAL ACT;
ORDER
DATE: April 12, 2023
TIME: 1:00 P.M.
COURT: Hon. Barbara A. McAuliffe

16
17 BACKGROUND

18 This case is set for status conference on April 12, 2023. On May 13, 2020, this Court issued
19 General Order 618, which suspends all jury trials in the Eastern District of California “until further
20 notice.” Under General Order 618, a judge “may exercise his or her authority to continue matters,
21 excluding time under the Speedy Trial Act with reference to the court’s prior General Order 611 issued
22 on March 17, 2020 . . . with additional findings to support the exclusion in the Judge’s discretion.”
23 General Order 618, ¶ 6 (E.D. Cal. May 13, 2020). In addition, any judge “may order case-by-case
24 exceptions” to General Order 618’s provisions “at the discretion of that Judge or upon the request of
25 counsel, after consultation with counsel and the Clerk of the Court to the extent such an order will
26 impact court staff and operations.” General Order 618, ¶ 7 (E.D. Cal. May 13, 2020). This, previous,
27 and subsequent General Orders were entered to address public health concerns related to COVID-19.

28 Although the General Orders address the district-wide health concern, the Supreme Court has

1 emphasized that the Speedy Trial Act's end-of-justice provision "counteract[s] substantive
 2 openendedness with procedural strictness," "demand[ing] on-the-record findings" in a particular case.
 3 *Zedner v. United States*, 547 U.S. 489, 509 (2006). "[W]ithout on-the-record findings, there can be no
 4 exclusion under" § 3161(h)(7)(A). *Id.* at 507. Moreover, any such failure cannot be harmless. *Id.* at
 5 509; *see also United States v. Ramirez-Cortez*, 213 F.3d 1149, 1153 (9th Cir. 2000) (explaining that a
 6 judge ordering an ends-of-justice continuance must set forth explicit findings on the record "either orally
 7 or in writing").

8 Based on the plain text of the Speedy Trial Act—which *Zedner* emphasizes as both mandatory
 9 and inexcusable—General Orders 611, 612, 617, and 618 require specific supplementation. Ends-of-
 10 justice continuances are excludable only if "the judge granted such continuance on the basis of his
 11 findings that the ends of justice served by taking such action outweigh the best interest of the public and
 12 the defendant in a speedy trial." 18 U.S.C. § 3161(h)(7)(A). Moreover, no such period is excludable
 13 unless "the court sets forth, in the record of the case, either orally or in writing, its reason or finding that
 14 the ends of justice served by the granting of such continuance outweigh the best interests of the public
 15 and the defendant in a speedy trial." *Id.*

16 The General Orders exclude delay in the "ends of justice." 18 U.S.C. § 3161(h)(7) (Local Code
 17 T4). Although the Speedy Trial Act does not directly address continuances stemming from pandemics,
 18 natural disasters, or other emergencies, this Court has discretion to order a continuance in such
 19 circumstances. For example, the Ninth Circuit affirmed a two-week ends-of-justice continuance
 20 following Mt. St. Helens' eruption. *Furlow v. United States*, 644 F.2d 764 (9th Cir. 1981). The court
 21 recognized that the eruption created "appreciable difficulty" for the trial to proceed. *Id.* at 767-69; *see*
 22 *also United States v. Correa*, 182 F. Supp. 326, 329 (S.D.N.Y. 2001) (citing *Furlow* to exclude time
 23 following the September 11, 2001 terrorist attacks and the resultant public emergency).

24 The coronavirus poses a similar, albeit more enduring, "appreciable difficulty" to the prompt
 25 proceedings mandated by the statutory rules. Recently, the Ninth Circuit enumerated a "non-
 26 exhaustive" list of seven factors it found to be "relevant" in considering ends-of-justice Speedy Trial Act
 27 continuances "in the context of the COVID-19 pandemic." *United States v. Olsen*, --- F.3d ---, 2021 WL
 28 1589359 at *7 (9th Cir. Apr. 23, 2021). That non-exhaustive list includes: (1) whether a defendant is

1 detained pending trial; (2) how long a defendant has been detained; (3) whether a defendant has invoked
2 speedy trial rights since the case's inception; (4) whether a defendant, if detained, belongs to a
3 population that is particularly susceptible to complications if infected with the virus; (5) the seriousness
4 of the charges a defendant faces, and in particular whether the defendant is accused of violent crimes;
5 (6) whether there is a reason to suspect recidivism if the charges against the defendant are dismissed;
6 and (7) whether the district court has the ability to safely conduct a trial. *Id.*

7 In light of the foregoing, this Court should consider the following case-specific facts in finding
8 excludable delay appropriate in this particular case under the ends-of-justice exception, § 3161(h)(7)
9 (Local Code T4). If continued, this Court should designate a new date for the status conference. *United*
10 *States v. Lewis*, 611 F.3d 1172, 1176 (9th Cir. 2010) (noting any pretrial continuance must be
11 "specifically limited in time").

12 STIPULATION

13 Plaintiff United States of America, by and through its counsel of record, and defendant, by and
14 through defendant's counsel of record, hereby stipulate as follows:

15 1. By previous order, this matter was set for status conference on April 12, 2023.

16 2. By this stipulation, defendant now moves to continue the status conference until June 14,
17 2023, and to exclude time between April 12, 2023, and June 14, 2023, under 18 U.S.C. § 3161(h)(7)(A),
18 B(i) and (ii) [Local Code T4].

19 3. The parties agree and stipulate, and request that the Court find the following:

20 a) The government has represented that the discovery associated with this case
21 includes wiretap recordings, thousands of pages of investigative reports, surveillance video,
22 audio recordings, cell phone extractions, and other voluminous materials. All of this discovery
23 has been either produced directly to counsel and/or made available for inspection and copying.

24 b) Counsel for defendant desires additional time consult with his/her client, review
25 the voluminous discovery, and conduct independent investigation.

26 c) Counsel for defendant believes that failure to grant the above-requested
27 continuance would deny him/her the reasonable time necessary for effective preparation, taking
28 into account the exercise of due diligence.

1 d) The government does not object to the continuance.

2 e) Based on the above-stated findings, the ends of justice served by continuing the
3 case as requested outweigh the interest of the public and the defendant in a trial within the
4 original date prescribed by the Speedy Trial Act.

5 f) For the purpose of computing time under the Speedy Trial Act, 18 U.S.C. § 3161,
6 et seq., within which trial must commence, the time period of April 12, 2023 to June 14, 2023,
7 inclusive, is deemed excludable pursuant to 18 U.S.C. § 3161(h)(7)(A), B(i), B(ii) [Local Code
8 T4] because it is so unusual or so complex, due to the number of defendants, the nature of the
9 prosecution, or the existence of novel questions of fact or law, that it is unreasonable to expect
10 adequate preparation for pretrial proceedings or for the trial itself within the time limits
11 established by this section.

12 4. Nothing in this stipulation and order shall preclude a finding that other provisions of the
13 Speedy Trial Act dictate that additional time periods are excludable from the period within which a trial
14 must commence.

15 IT IS SO STIPULATED.
